CE Study Abroad Planning Guide

This plan is offered as a general guide of how one might plan a course sequence if the goal is to incorporate a semester of study abroad into the CE curriculum. It is not the only way to include a semester abroad while meeting degree requirements, but it is a plan that may work for many students. Students should use this as a starting point for planning, discuss options with their advisors, and make use of other advising resources to devise an individual plan. Students should also consult with their major department regarding how any major curriculum changes might impact this plan.

First Year *Fall Semester*	**First Year *Spring Semester***
MATH 1910	MATH 1920
ENGRI	CS 111X
CHEM 2090	PHYS 1112
FWS	PHYS 1110
Physical Education	FWS
	Physical Education

Second Year *Fall Semester*	**Second Year *Spring Semester***
MATH 2930	MATH 2940
ENGRD 2XXX	PHYS 2214
ENGRD 2020	CEE 3710*
PHYS 2213	ENGRD 3200*
Liberal Studies	Liberal Studies

Third Year *Fall Semester*	**Third Year *Spring Semester- Abroad***
CEE 3040 (or ENGRD 2700 by petition)	Advisor Approved Elective
BEE 2510	Advisor Approved Elective (Additional Science)*
CEE 3310	Liberal Studies
CEE 3410	Liberal Studies
Engineering Communications	Liberal Studies

Fourth Year *Fall Semester*	**Fourth Year *Spring Semester***
CEE Design Elective*	CEE 3230
CEE Design Elective*	MAE 2030 or CEE 4780*
Major Approved Elective*	CEE 3610
Major Approved Elective*	Liberal Studies
CEE Capstone Design*	

*Consult the Engineering Handbook and Major Handbook/Website for additional guidance and requirements.
**Those interested in a year abroad should consider the Cornell-Cantabria program.
