Teaching with Technology Lunch: Capturing Content Excerpts

How can you capture mini-lecture type content for your students to view outside of class? Join us for lunch and a discussion of potential applications to engineering courses and the pros and cons of various technologies. Questions will be encouraged.

Lecture Capture (Panopto, Mediasite, VideoNote)

Screen Capture (Jing, Camtasia)

Writing Capture (Livescribe Pen, Ipad)

Applications:
- Extra-examples
- Additional example detail
- Solutions to exams/HW problems
- Background information
- Interdisciplinary courses
- Missed lectures
- No or poor textbook
- Extra information...

WED. NOV. 07
OLIN HALL 128 (The Rhodes Lounge)
12:00 PM
(Lunch provided. Please RSVP to klc78@cornell.edu)

Our Services:

• Individual Consultations
• New Faculty Assistance
• Mid-Semester Evaluations
• Assessment
• Equipment Checkout
• Teaching Grant Proposals
• Classroom Observations
• Engineering Teaching Innovations and Experiments
• Teaching Resources
