

## Petition for the Early Admit Pathway to the Master of Engineering (M.Eng.) Degree

### For Cornell Undergraduates

Please return completed forms to the Assistant Director/Graduate Field Assistant of your intended M.Eng. program. Consult the [M.Eng. Directory](#) for the contact information.

**Name:**

**CU ID (e.g., 1236780):**

**Cornell NetID (e.g., cpt4):**

**Undergraduate College:**

**Undergraduate Major:**

**Double Major (if applicable):**

**Final Undergraduate Term (enter year after appropriate semester):** Spring          Fall

**Number of required undergraduate credits left to complete for final semester:**

**Do you have potential transfer credits?          If yes, how many?**

*Note: Any 5000+ level coursework completed prior to the Early Admit semester that counts towards the undergraduate degree may not also be counted towards the M.Eng. degree*

**My signature below attests to the following:**

- ✓ I have met with my academic advisor(s) to discuss my readiness for the Early Admit Pathway.
- ✓ I have met with a representative of my intended M.Eng. program and fully understand the prerequisites and other admissions requirements for that M.Eng. program.
- ✓ I plan and expect to meet all prerequisites and other admissions requirements for my intended M.Eng. program prior to the start of my final undergraduate semester (i.e., my proposed Early Admit semester).
- ✓ I plan and expect to have eight\* or fewer credits remaining to complete my bachelor's degree by the start of my final undergraduate semester, including any special designations (double major, minor, honors, etc.).
- ✓ If admitted to the Early Admit Pathway, I understand that failing to meet any of the prerequisites or other admissions requirements for my intended M.Eng. program by the start of my final undergraduate semester, or entering my final undergraduate semester needing more than eight\* credits to complete my bachelor's degree (including any special designations), will negate my eligibility for the Early Admit Pathway.
- ✓ If admitted to the Early Admit Pathway, I understand that failing to complete my bachelor's degree as planned (with satisfactory academic performance) by the conclusion of my Early Admit semester will negate my eligibility for the Early Admit Pathway and may impact my admission to the M.Eng. program.
- ✓ If admitted to the Early Admit Pathway, I understand that failing to complete at least 10 credit hours towards the M.Eng. degree during my Early Admit semester will eliminate my ability to complete the M.Eng. program with only one additional semester of study.

*\* For students who have already completed three (3) or more credits of graduate-level coursework prior to the Early Admit semester that can be counted towards the M.Eng. degree as transfer credit, the upper limit is **eleven (11)** credit hours remaining instead of eight.*
