

APPLICATION FORM TERESA LAZARO MASTER OF ENGINEERING FELLOWSHIP

This scholarship provides financial assistance to students enrolled in the Master of Engineering program at Cornell University, who are permanent residents of the Commonwealth of Puerto Rico. First preference shall be given to students who are enrolled in the MEng degree program in Civil and Environmental Engineering., particularly to those who have interests in the area of structures and management in the field of civil engineering.

The amount of the fellowship will vary, depending on the availability of funds and the number of awardees.

Application deadlines and procedures:

*The application deadline for this fellowship is **February 1**—for fall and spring semesters of the following academic year. Admitted applicants will receive a notification about their award, together with, or soon after, their offer of admission.*

Late applications will be considered subject to availability of funds. Awards are not made retroactively, e.g. after the student has paid the tuition fee for the semester. Therefore, to be considered for awards in the fall and spring semesters of the same academic year students must file their fellowship application by July 1. To be considered for an award in the spring only, students must submit their application by December 1.
